

THE BEST LAID PLANS....

This is a summary of some local planning proposals, as I understand them, at the time of writing in February 2005, says Jane Philpot:

Robin Hood, The Green

Two storey and single extensions to public house, formation of four self contained flats above and one self contained flat at rear. The Parish Council Planning Committee objected to this scheme by 3 votes to 2. A major concern was the reduction in car parking space available for use by customers of the Robin Hood.

50 Durrants Road

Retention of first floor flat, conversion of ground floor flat into two self contained flats and extension to provide one-three bedroomed dwelling and associated car parking. The Parish Council have objected to this scheme.

Old Forge Pottery, Durrants Road

Conversion of outbuildings to form two 1 bedroom dwellings. I understand that this application has gone to appeal.

41 and 43 Wellsworth Lane

One new detached house with garage, on each site, has been approved by EHDC.

Uplands Road,

A presentation has been made by Drum Housing for two additional dwellings on the existing car park. No planning application has yet been made.

Jane Philpot

SET FAIR

Saturday July 9th has been announced as the date to get together on the village green for fun and frolics.... stick it in your calendar now and look out for more information from the Village Fair committee nearer the time.
